

Star of the Sea College

Respectful Relationships Policy*

Star of the Sea College is a Catholic Independent Girls' school, founded by the Presentation Sisters in 1883. Since 2014, Star of the Sea has operated under the auspices of Kildare Ministries.

At Star of the Sea College we hold the care, safety and wellbeing of our students as a central and fundamental responsibility of our College. Our commitment is drawn from, and inherent in, the teaching and mission of Jesus Christ, with love, justice and the sanctity of each human person at the heart of the gospel: CECV Commitment statement to Child Safety.

The person of each individual human being, in his or her material and spiritual needs, is at the heart of Christ's teaching: that is why the promotion of the human person is the goal of the Catholic School (Congregation for Catholic Education 1997, n.9).

Rationale

Star of the Sea College aims to provide students with rich educational opportunities that reflect best practice in learning and teaching and that occur in contemporary and well- resourced facilities.

This policy seeks to ensure that the College Community has an understanding of the nature of our expectations when they accept an enrolment at Star of the Sea College for their daughter. The College is committed to nurturing respectful relationships and active partnerships with parents. We believe that students' learning is enhanced through positive and reciprocal home and school relationships. Parents are one of the most influential role models in their daughter's life. The College therefore seeks parental support in promoting and upholding core values of the College Community and its culture of respectful relationships. This policy acknowledges that parents and College staff are strongly motivated to do their best for every student. Everyone has the right to differing opinions and views and to raise concerns, as long as we do this respectfully as a community working together.

Catholic schools have a moral, legal and mission driven responsibility to create nurturing school environments where children and young people are respected, their voices are heard and they are safe and feel safe(CECV Commitment to Child Safety)

Whilst parents are welcomed into the College, the safety of students is the first responsibility of the College. Star of the Sea College abides legislatively by Ministerial Order Number 870. The seven standards of Ministerial Order No 870 are outlined in Appendix 1.

Respectful Relationships Policy*

The Catholic Education Commission of Victoria proposes that **wrongful behaviour of a serious nature is defined** as activities or behaviour of a student which:

- seriously undermines the ethos of the Catholic school, or
- consistently and deliberately fails to comply with any lawful order of a principal or teacher; or is offensive, or dangerous, to the physical or emotional health of any staff member or any student; or
- consistently and deliberately interferes with the educational opportunities of other students.

Guidelines exist in CEM Policy 2.26 which inform the Principal or her nominee of appropriate courses of action in the case of behaviour of a serious nature, negotiated transfer or expulsion.

In accordance with the Victorian Registrations and Qualifications Authority, it is noted that corporal punishment is not permitted in this school.

By agreeing to meet specified standards of positive behaviour, everyone in the College community can be assured that they will be treated with fairness and respect. In turn, this will help to create a school that is safe and orderly, where everyone is empowered to participate and learn.
